OPTIONAL LOCAL EXCHANGE SERVICES**13.8 EZ LD Service**

The EZ LD service is available to new and existing Local Service, Local Service Plus or Local ISDN CEU customers. The EZ LD service allows customers to enjoy a single rate for certain long distance traffic, provided the customer meets certain usage requirements. New Local Service, Local Service Plus or Local ISDN CEU customers must sign a service agreement for at least a 12-month term. However, for current Xspedius customers, the term commitment shall be no less than the remaining term of the current Required Product if the remaining term is greater than one (1) year.

If a customer elects to receive the EZ LD service, the new service will be incorporated into the terms of the existing Required Product agreement, such that both services will expire concurrently. Notwithstanding, EZ LD cannot be added unless there is at least one year remaining under the existing agreement or both agreements are extended to provide service for at least a one-year term.

The EZ LD product rate is based on 3 factors:

1. Usage pattern – Customer's intrastate traffic shall not exceed 30% of total EZ LD traffic to qualify for the rates specified below.
2. EZ LD Service term period (1,2, or 3 years)
3. Customer's prior usage level in which their intrastate traffic does not exceed 30% of total EZ LD traffic.

espire EZ LD product rate guidelines

| Term Period | Previous LD usage | | |
|-------------|-----------------------|----------------------|-------------------|
| | <u>Up to \$100.00</u> | <u>\$101 - \$300</u> | <u>over \$301</u> |
| 1 year | \$0.055 | \$0.055 | \$0.049 |
| 2 year | \$0.055 | \$0.049 | \$0.045 |
| 3 year | \$0.049 | \$0.045 | \$0.045 |

Under the following circumstances, an EZ LD rate can be provided to customers exceeding the 30% intrastate usage limitation:

- **Intrastate Usage between 30% and 50%.** Customers with intrastate usage between 30% and 50% of total EZ LD usage may be offered an EZ LD rate of \$.055.

EZ LD customer's intrastate long distance traffic shall not exceed the percentage of their total EZ LD traffic, as specified above. In the event their traffic exceed the allowed intrastate usage in two billing months in any 12-month period, Xspedius reserves the right to re-rate those months intrastate minutes to \$.08 per intrastate minute or to charge \$.08 per intrastate minute for the intrastate usage in any additional month, in which the customer's traffic exceed the 50% limit.

13.8.2 Early Termination Penalty

Withstanding anything to the contrary in article 4 of the Agreement, if the customer decide to terminate the EZ LD Service before the end of the term, the customer will be charged an early termination penalty equal to 4 months of average usage. The customer's average usage will be calculated based on the average of the last two full months of usage. In the event the EZ LD agreement is terminated before two full months of service, the average usage will be calculated based on the customer's actual usage to date.
